...from the Relieving Principal Sheila Grainger

Excitement is gathering as the Board's consultation process around the Principal appointment gathers pace.

Students have been discussing their wish list in whanau classes, staff worked on this at a staff meeting, the Maori community are being consulted and Garin's parent body have been surveyed with a total of 48 responses so far. Thank you to all participants, as your contributions will help to inform the Board's search for a new leader.

One criteria for appointment as Principal to a Catholic School is it be a practising Catholic, so that the spiritual and special character of the school is endorsed in every aspect of school life. Good luck to our tournament participants next week. I am sure they will make us proud.

Garin Star in North and South

In this month's North and South magazine Garin stars can be found! Amy Cornelisen is the co-founder of Ministry of Inspiration (MOI), a Tasman based educational charity that runs events for area youth. Ministry of Inspiration was highlighted in the magazine, along with Garin student Paige Thomas, teacher Joy McGahern, and Senora Davies' daughter. Ministry of Inspiration is run by volunteers, engages with over 3000 community youth each year, and runs over 25 different events. The major event of MOI is INSPIRE, a three day festival held in April at NMIT where students from ages 8-18 can choose up to 4 classes to participate in, like Weta Workshop, CSI, and/or Chemistry. Many Garin students have attended MOI events over the last 4 years and many have presented workshops for younger youth. For more information please go to ministryofinspiration.org.

NSN cards

All students in years 11, 12 and 13 should have now received their NSN cards. Most collected their cards at school. Some were posted home. If students turn the cards over they will find the instructions given for accessing their results and associated information on the NZQA website. Could Mrs Ditchfield please be notified immediately if any student does not have an NZQA card or if names or addresses are incorrect. We need to be informed immediately if there are any errors.

Payment of NZQA Fees

You are able to pay NZQA fees to Garin College up until **Wednesday 2 September** (we are closed Thursday 3 and Friday 4th). After this date fees will need to be paid directly to NZQA or through the students log-in page. If you are eligible for financial assistance please collect a form from the front office and return it to Mrs Ditchfield as soon as possible but before 2 September.

Annual Sports Awards

Garin's annual Sports Awards evening is coming up on Friday 11th September at 7pm. Tickets are \$8 and will be available from the school office from 17 August, until Monday 7th September, for parents and players. If your child has achieved regionally or better in their chosen sport, they are eligible for the special awards for high achievers. Send their name and what they have achieved to poppyrestieaux@cloud.garincollege.ac.nz

Garin burger breakout!

A simple tasting of 9Ps burger creations turned into a gastronomic experience for chief taster DP Mr Moriarty, each tasting simply got better and better, with all 6 groups excelling with novel interpretations of the traditional pattie in a bun. Bacon and crumbed chicken, 'completo style' guacomole and and spiced chicken, lamb and rosemary, were rated for innovation and flavour but the hero of the cook off was a comprehensive 'Breakfast Burger' consisting of sausage pattie with other good old kiwi breakfast ingredients of runny egg, crispy bacon grilled cheese a dollop of Watties T sauce, simply Burger Heaven! Congratulations to winning chefs Molly Langelaan, Eva McCauley, Farai Mahwenyiyo and Logan McQuade.

Young Enterprise Trade Fair

Last Saturday 3 Business Studies companies from Garin College attended the Trade Fair at the Nelson Market. The trade fair is an annual event for those involved in the Business Studies Course. This is a chance to showcase the products that these companies have produced during the year.

Rachael Hillis, Peije Hollander-Fahie, Clarissa Romano and Rachel Cunningham, directors of CakePop Co, had a very successful day selling their product. Cake Pops are cake and butter icing which is placed on a stick and then dipped in chocolate.

After previously winning an award at the regional Dragons Den, the girls also won two awards at the trade fair.

These awards were given to them for their professional presentation including public interaction, and a creative product. For this they received two \$50 flight vouchers.

Other products on display from Garin College included Elisha Fleming's Intrude-a-lock. Elisha gained second place at the Dragon's Den competition.

This is a security device that monitors the activity of your luggage to ensure it is not tampered with or receives rough treatment in flight.

Cole Barker and Isabelle Coates, directors of Horotai Fudge, produce gluten free, dairy free, refined sugar free, vegan fudge (and it tastes good!)

If you are interested in purchasing cake pops from CakePop Co you can contact Rachel Cunningham on thecakepop.col@gmail.com.

If you require more information about Intrude-a-lock you can email Elisha: elishafleming@cloud.garincollege.ac.nz

If you wish to purchase fudge you can email Isabelle: isabellecoates@cloud.garincollege.ac.nz

WHEN NEANDERTHALS & MODERN HUMANS MET

Human evolution from 60,000 — 30,000 years ago

Professor Tom Higham,
University of Oxford

60,000 years ago we were not the only species of humans in the world. There were at least three others – Neanderthals, the Denisovans and the so-called Hobbit (*Homo floresiensis*).

We now know through ancient DNA research that our species, Anatomically Modern Humans (AMH), and Neanderthals, probably interbred prior to the wider dispersal of modern people. Recent research will help us to understand how we came to be the only human species on Earth. In this talk Tom will focus on what happened after moderns came out of Africa and describe new research on the chronology of these events.
