

Garin College 2009

General Information

The first day

School begins on Tuesday 2 February at 8.35am.

Present students will go to the gym and we will welcome new students and teachers from there. Seniors (year 11-12-13) need to be in formal uniform.

New teachers and students will meet in the carpark with their parents (if you can come), and you will be led to the gym to be welcomed in a powhiri.

Then we will have morning tea and the first class. Parents are welcome to stay for this part of the day if you can.

Stationery

We pride ourselves in making a good start to the year. We can't afford to waste time getting started on our year's teaching programme. So we ask that on the first day every student brings their money for stationery.

The order forms will be sent out in the December 2008 mailout. You will see that we are asking you to get some of the stationery yourself – there are plenty of really good specials in late January. If you want to set up an automatic payment in advance, please contact Business Manager Ron Van Drunen before school begins.

Partnership with parents

At Garin we see ourselves as working alongside parents to help you raise your young people to be the adults you want them to become.

We make contact with parents in a formal way each term:

- In term 1 we have a barbecue for all, a phone call home for parents of new students, and our "attitude" reports for all students.
- In term 2 we have senior interviews and reports for all students.
- In term 3 we have junior interviews and an NCEA update for senior students.
- In term 4 senior reports will be issued after exams, and juniors at the end of the year.
- In the middle of Terms 1,2 and 3, we send home milestone reports on students whose work has slipped.

Of course, whenever you have information to share with us – or concerns – about the educational or personal development of your son or daughter, please don't hesitate to talk to us. (Contact details on every page of the calendar.)

Email for whanau teacher – every student and teacher has an email address that fits this pattern:

johnsmith@garincollege.ac.nz

Phone 03 543-9488 - Fax 03 543-9489 - Absences 03 543-9490 - Email achieve@garincollege.ac.nz

As well, our Academic Deans (Jo Calt Y11, Richard Stanton Y/12, Robyn Prokop Y13) will be monitoring student progress and sharing any concerns. Head Teacher John Boyce will oversee Y9/10.

Who to talk to

Your first port of call to talk about your own child or problems he or she might be having is your whanau teacher.

If you have a complaint, our Head Teacher John Boyce likes to hear about it, so give him a call (or send him an email).

In the office (543 9488) you will talk to Leonie Haines, Rachel Bright or Shona Erasmuson. Our DP and Club Garin contact is Denis Moriarty; and Mike Rose looks after Student Services, behavioural and learning difficulties, as well as course selection. Our Gateway Co-ordinator Jane Krammer, is the person to see to discuss careers.

If a student is ill: ring the "Absence line"

The very best way to report a student's absence from school is to leave a message on our voicemail – just call 543 9490 and leave a message.

If a student becomes ill during the day we will normally let them stay in the sick bay for half an hour – but if they haven't recovered we will call you to collect them.

One other thing to note is that we do not administer medication (even *Panadol*). Our staff are not trained to take responsibility for that, so we don't have medication available.

Uniform Shop

Uniform manager Heather Tonk can be contacted on 545 8100 or 0274-171-063. See calendar for hours in January.

Our normal opening hours during term time are:

Tuesdays: 12.30 – 4pm and Thursdays: 12.30-5pm. The shop will be closed in the holidays unless by prior arrangement.

HATS must be worn outside in Term 1 and Term 4.

Lunch at school

All students eat lunch at school. Only Year 13 students are allowed off the property (and only on foot: if a student has a car at school which must be registered with our office, that is only to be used before and after school

hours) – and they are only allowed to Couplands and Raewards.

2009 sees a continuation of our Healthy Food initiative (the first school in Nelson to gain a Gold award), and we encourage students to join in: it helps learning and gives us longer and happier lives! We appreciate parent support with "learning friendly" lunches.

Our own canteen serves a wide range of good food, and provides a hot water urn and a microwave for student use.

Daily times

School begins at 8.35 each day – so students need to be here at 8.30 to get organised and ready to start at 8.35.

Our timetable runs like this:

Normal Belltimes

Morning timetable

8.32	warning bell for whanau
8.35	whanau time
8.55	three minutes to get to period 1
8.58	period 1
9.48	three minutes to get to the next class
9.51	period 2
10.41	break
11.01	period 3
11.51	three minutes to get to the next class
11.54	period 4

Afternoon timetable

12.44	lunch
1.30	period 5
2.20	three minutes to get to the next class
2.23	period 6
3.13	end-of-school (buses leave 3.16)

Assembly is held every Wednesday morning at 8.35am instead of whanau time.

Study Hall

Our teachers are trained to manage the behaviour of our students – and we have systems for the times our students refuse to meet our expectations.

Of course, a teacher cannot use their training or our systems if the student is not in class on time – or comes without the equipment needed to allow them to learn. When that happens a student receives a "Study Hall", a catch-up session. Students must bring work, and use the time to catch up on work missed. Some students come voluntarily and use the time as a homestudy session. Study halls are held every lunchtime.

By law we are allowed only 67 students who do not have “preference of enrolment”. Normally that means that these families are not Catholic. As student s who are not Catholic leave each year, places become available. If you know of families who are not Catholic and are thinking of enrolling, please ask them to contact the school. Catholic families enrol on the form in the prospectus – which is available from the College or one of the local primary schools.</p>
