Preference of Enrolment – is given to Catholic families, whose children have been baptised or are about to be baptised into the Catholic Church, or where at least one parent who has been or is about to be baptised, wishes to have their children educated in a Catholic school, even if the children have not been baptised. Preference of enrolment is confirmed by the parish priest who will issue a preference form to the family to be given to the college.

Garin College is allowed to enrol 67 students who do not have preference of enrolment (“non-preference enrolment”). If a family has any doubt about their preference status, please call the College to discuss it, or contact a Catholic parish priest. To help us be sure that you may be eligible for a preference form, please tick any of the situations below that might apply to your family.

- the child has been baptised Catholic or is being prepared for baptism
- one or more siblings have been baptised in the Catholic faith
- one parent/guardian is a Catholic, and the child is not baptised, but school participation could lead to baptism
- a grandparent or other significant adult in the child’s life will undertake to support the child’s formation in the faith and practices of the Catholic Church
- one of the parents/guardians is preparing to become Catholic

Obviously we would like to enrol “non-preference” students whose families have values and attributes that relate to our values as a school. To help us understand what you want from Garin and what you understand your family will be getting from Garin, we ask you to complete the following questions as part of our non-preference enrolment.

What do you want from Garin College – what can we do for you?

What do you know of the Catholic culture of the school?
