

Mahi Toi Festival timetable

Next week is Garin's Arts Festival, Mahi Toi. On Tuesday 5 and Wednesday 6 July students will be participating in events ranging from Recycled Art that is Wearable (RAW) to Instrumental Ensembles.

Over the two days 21 performing arts events and an exhibition including eight visual art categories will be taking place. We invite parents and caregivers to come along and see any of these events and view the art exhibition.

A programme is also available on Garin's website - go to www.garincollege.ac.nz. or you can collect a copy of the programme from the school office.

This is an exciting week for the students showing the school their many talents in the arts.
