Rationale for Wakefield School: The current Wakefield town permanent 30km/h speed area runs between the State Highway and Arrow Street. Wakefield School sits just outside of this area, Whilst the Speed Setting Rule requires variable 30km/h outside schools, an extension of a permanent 30km/h to Pitfure Street would be a more straight forward, and less confusing approach rather than a permanent 30km/h zone and an overlapping variable 30km/h.
